

ASA's Softball Insider sat down with two-time USA Softball Women's National Team Kaitlin Cochran (Yorba Linda, Calif.) who will be attending this summer's tryouts for the 2010 USA Softball Women's National Team. She answered some of our facebook fan's questions as well as talked about her first time at camp, what she has been up to since the last time she wore the red, white and blue and what makes wearing those colors so special. Check it out today and feel free to share with all of your members!
