Boulevard Tournament - Schedule and Notes

Wednesday, June 9, 2010

Below is the schedule for this weekend's tournament in Midland. There are a couple slight changes (only in the order of playoff matchups on Sunday morning). Looking forward to getting the season in Midland started out as we move towards this August and the 2010 ISC World Tournament.

Special Olympics Exhibition

As we've done the past, we'll be having an exhibition game against a local Special Olympics team at 3:00 on Saturday at the Stadium. There are no other games schedule between 3:00-4:00 so if anyone is interested, we'd be happy to have you out to play a few innings with us.

The tournament rules are attached.. Please review. If you have any questions, let me know. For the weekend, the tournament director will be Marc Gillis (248-225-2897) who will be handing out game balls, line-up cards, etc. If there are any issues with gameplay/fields/schedule/weather, Marc will be handling those things. Prior to your 1st game, Marc will be making the rounds to introduce himself to the managers if you have any questions.

See you at the park!
