

January 19, 2006

Thank you for your interest in the 2006 Central California Men's Fastpitch Travel League. I have put together information with regards to the upcoming season that will hopefully answer many of your questions and also provide you with the information you need to plan your teams.

The 2006 season will be open to B and C level teams. The intention here is to provide a place for the B teams to play and also give the C teams an opportunity to compete against some upper level teams. The "C League" will consist of the first three weekends of play. (March, April and May) The top team or teams at the end of the "C League" will receive a berth to the C Nationals. As a C team your record for the "C League" will only consist of your games against other C teams. The last weekend on the schedule (July) will be ran as a two day tournament, pool play Saturday and single elimination on Sunday for both B and C. We hope this can be used as an opportunity to bring in some teams from out of the area for a weekend tournament. As for the B teams they will compete against the other B teams and C teams to complete their schedule. As I currently understand any B team wishing to attend the Nationals is eligible.

SCHEDULEThis is always interesting, just when you think it will work something comes up.

Following are the "planned" CCASA dates and locations, these may change.

March 25-26	Paso Robles (<i>possible hotel room issues</i>)
April 8-9	Tulare
May 6-7	Fresno
July 15-16	Tulare

And yes you only see 4 weekends; the month of June is not in the schedule due to conflicts with other CCASA events.

Following are other events that I am aware of that will fit into this schedule as well:

March 18-19	Pacific Coast Series – Stockton (Bob Chapel)
April 1-2	Pacific Coast Series – Stockton (Bob Chapel)

May 27-28	"C" National Qualifier – Hayward ???
June 10-11	Pacific Coast Series – Reno (Bob Chapel)
August 5-6	"C" Regional – Fresno

FEES The 2006 fees will include entry for the CCASA March, April, May and July weekends. **\$1,700** for approximately 20 games.
